

# School of Science Colloquium:

## Pattern Recognition Across Disciplines

---

**Leeann Thornton**, Department of Biology

*Conserved patterns in cytochrome P450 enzymes*

---

**Andrea Salgian**, Department of Computer Science

*Finding and Recognizing Pattern in Data*

---

**Stephanie Sen**, Department of Chemistry

*Finding subtle pattern differences in insect bio-synthetic enzymes*

---

**Date** Friday, October 5

**Time** 11:30-12:20

**Location** Science Complex P-101

**\*LUNCH WILL BE SERVED\***
